

THE NANNY NETWORK - HERE TO HELP!

The Nanny Network ("TNN") is committed to providing best-in-class hotel child care to help families traveling with children. TNN's services allow parents to create balance, allow focus, and enhance the quality of their stay. We have cultivated meaningful relationships over the years by earning our clients' and our care professionals' trust. With nearly 30 years in operation our passion and commitment to helping families is as strong as ever.

Our **8-step vetting process**, and customized software platform are powerful, allowing us to offer the highest level of care and customer service for your family.

WHAT SERVICES DO WE OFFER?

CHILDCARE

Short-term childcare offered directly in your hotel room. For date nights, events, pool dates and more.

SIDEKICK

For all those who need an extra hand. Sidekick's can assist with valet services (packing/unpacking), organization & errands.

GROUP CHILDCARE

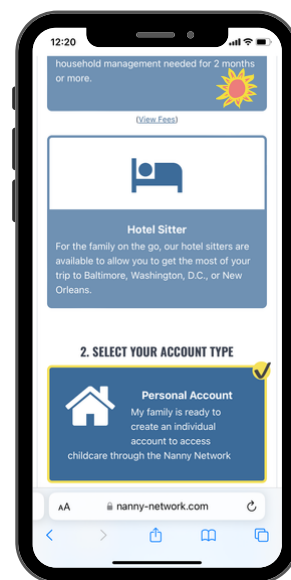

TNN offers a safe and secure group child care service for those who are planning conferences, corporate meetings or other special events.

HOW TO SIGN UP?

The Nanny Network offers its services on-demand so parents can submit a request whenever they discover the need for care.

Before parents can book care, they must complete the following:

- An online registration
- Sign and agree to our terms of service online within the parent profile
- Provide payment method
- Create a care request
- Once we have booked a best-in-class caregiver for your request, you will receive a formal booking confirmation (including your care professional's online profile outlining their child care experience, education, skills, reference highlights, etc.) and an introductory phone call to review any details.
